

GRAMEEN CRÉDIT AGRICOLE
Microfinance Foundation

Pr. H.I. Latifée

Managing Director of Grameen Trust

Professor Latifée is the Managing Director of Grameen Trust, the international arm of Grameen Bank, which has set up more than 139 replication programmes in 38 countries. Before joining Grameen Trust in 1994, he was teaching as Professor of Economics in the University of Chittagong. As a result of his long experience with Grameen Bank, Grameen Trust and Grameen Partners worldwide, Professor Latifée is considered as an expert in the area of Microfinance. He has participated in various missions and conferences to promote microfinance movement in many countries in Asia, Africa, Europe and the Americas. He is a winner of Business Week's Stars of Asia Award, 2001, for his leadership in the field of microfinance and poverty alleviation. Professor Latifée is an Advisory Director of Whole Planet Foundation, USA and a member of the Consultancy Committee of the China Microfinance Promotion Network. He is a founding member of Grameen Foundation USA Advisory Council. He is also a member of the Establishing Committee of the Family bank in Bahrain. Professor Latifée serves as member of a number of Boards, including Grameen America, USA, Microcredit initiative of Grameen (MIG), India, Grameen Samogri, Grameen Shakti, Grameen Communications, Grameen Byabosha Bikash, Grameen Health Care Trust, Yunus Foundation Bangladesh and Nirdhan Utthan Bank Ltd, Nepal.

He holds a B.A. and M.A. from Dhaka University in Bangladesh as well as a M.A. in Development Economics from Boston University.
